

# NEW “C” Racers race FREE 6/19

Are you certified to ride the velodrome?

Have you been training but haven't tried racing yet?

If you answered “yes” to both of these questions, then Friday, June 19 is for you.

Thanks to Ted's Manhattan Cycles, you can race the last Friday Night Training Race of the season for FREE (a \$35 value which covers both race and track fees).

Additional “C” fields will be added to accommodate NEW racers and maintain the 15 rider limit per C field.

Racers must hold a valid USA Cycling license. See race flyer at [www.lavelodrome.org](http://www.lavelodrome.org) for more information.

Ted's Manhattan Cycles is located at 110 N. Sepulveda Ave., Manhattan Beach, CA 90266 and can be reached at 310.379.3204.
